

Code of Conduct

I understand, that should I be found in the possession of alcohol, or non-prescription drugs of any kind, my parents will be called , and I will be sent home at my expense.

I realize that I am responsible for any damage done to my room, whether I do it or someone in my room does the damage.

I also understand that if my conduct is harmful to others, disrespectful, damaging to property or “unbecoming” a young adult, I will be sent home at my expense. Examples of “unbecoming conduct” are, loud noise coming out of my room, running down the hallways, physical violence to another hotel guest or one another, cursing, disrespectfulness to employees, etc.

The conduct is to be judged by Educational Performance Tours and/or hotel Management/Security. There may be other guests in the hotel with families. I would just ask you to act as you would want people to act if you were at the hotel with your own families.
